

Circumnavigators Club Chicago Chapter

Annual Foundation Event Champagne Brunch

SATURDAY, August 15, 2015 – Noon

At the home of Barb and James Franch
117 Seminole Avenue
Elmhurst, Illinois
630-782-6631

Through the generosity and hospitality of Barb and Jim Franch, this year we are able to have our Annual Foundation Fund Raiser at their beautiful home in Elmhurst (directions below). The Chicago Chapter has the privilege of awarding a Circumnavigators Club Foundation Around-the-World Scholarship every year to a Northwestern University junior. To continue doing so, we obviously need our members' full support. As we all know, this scholarship is a life-changing event for the students and we are naturally very proud of the fourteen who have already been awarded our grants. The money we have raised from our Annual Foundation Luncheons has always contributed the most significant part of our obligation and we hope that this year's will provide the same.

The suggested **minimum** donation for this event is **\$50 per person**, but larger amounts are most certainly appreciated. Keep in mind that your donation is tax deductible and also note that the checks should be made out to: **Circumnavigator Club Foundation** and not to our local Chapter.

Even if you are not able to be physically present, please consider sending a donation to enable the chapter to continue supporting our wonderful scholars.

Guests are most welcome. They can learn about our organization and, even more importantly, the Circumnavigator Club Foundation. For our Club's motto is

“Through friendship, to leave this world a little better than we found it.”

Directions to the Franch home

Coming from the South, East, or West take the I-290 to the St. Charles Road west exit. From the exit go west 1 mile to York Road, turn left.

In 2 blocks turn right on Seminole.

The 2nd townhome from the corner is 117 W. Seminole.

Coming South on the I-294 Tollway

Take the exit onto I-290 W toward US-20/IL-64/Rockford 0.3 mi

Take exit 13B to merge onto IL-64 W/E North Ave 0.3 mi

Use the right lane to merge onto I-290 E 1.2 mi

Take exit 14A for Saint Charles Road W

It is what taxis jokingly refer to as the “triple loop”. From I-294 you are taking the North Avenue/Rockford (I290 West) exit. Then you are immediately taking the Il 64 (North Ave) exit. But then on North Ave. you immediately take the I290 EAST ramp (toward Chicago). Then St. Charles Rd West is the next exit. From the exit go west 1 mile to York Road, turn left.

In 2 blocks turn right on Seminole. The 2nd townhome from the corner is 117 W. Seminole. Jim Franch has graciously generated a map so that you can see this detail. It is at:
