

Circumnavigators Club Chicago Chapter

Annual Foundation Luncheon Fortieth Anniversary

SATURDAY, JULY 16, 2011 – 1:00 PM

At the home of Dan and Melanie Peterson
1939 Burr Oak Drive West, Glenview, Illinois
847-486-0190

Through the generosity and hospitality of Dan and Melanie Peterson, this year we are able to have our Annual Foundation Luncheon at their beautiful home in Glenview (directions below). The Chicago Chapter has the privilege of awarding a Circumnavigators Club Foundation Around-the-World Scholarship every year to a Northwestern University junior. To continue doing so, we obviously need our members' full support. As we all know, this scholarship is a life-changing event for the students and we are naturally very proud of the ten who have already been awarded our grants. The money we have raised from our Annual Foundation Luncheons has always contributed the most significant part of our obligation and we hope that this year's will provide the same.

The suggested **minimum** donation for this event is **\$50 per person**, but larger amounts are most certainly appreciated. Keep in mind that your donation is tax deductible and also note that the checks should be made out **to the Foundation** and not to our local Chapter.

Guests are most welcome. They can learn about our organization and, even more importantly, the Circumnavigators Club Foundation. For our Club's motto is **"Through friendship, to leave this world a little better than we found it."**

This year's luncheon will be extra special as the Foundation is celebrating its 40th Anniversary. To highlight this, we will invite all of our past scholars to attend and spend a few minutes each to talk about what their scholarship has meant to them in the years since they completed their circumnavigation. Realizing that most of them are no longer living in the Chicago area, we do hope the ones who are able to attend will be very representative of the group as a whole.
