

The 2026 Photo Contest is Open!

Congratulations to last year's winners! Now is the time to begin working on your entries for this year! The rules and regulations are the same as last year, but you have more time to get your submissions in. Now to repeat the rules.

1. There are 4 categories; Landscape, Architecture (man-made), Human Interest and Nature (Flora and Fauna). See the samples below.
2. You must be an active member, and you can submit up to 5 entries. Each picture will require an entry fee of \$10 to defray the costs of administration. Send a check to Circumnavigators Club, PO Box 465, Ramsey, 07446 or pay by credit card via an invoice link which will be emailed to you after you submit your photo.
3. Each submission must be taken by you and include a short note (100 words or less) as to its location and why it is category appropriate.
4. Each photo must be in JPG or Apple iPhone format and must be between 2MB and 15MB in size.
5. Each submission and attached details must be emailed to the evaluation committee (no hardcopy) by December 1st. (send to CircumnavigatorsContest@gmail.com).
6. The decision of the judges is final, and we are free to use all images as we see fit.
7. The results will be publicized in January.

We are also looking for 1 to 3 folks to administrate this contest going forward. Please contact J.V.Franch@gmail.com if you are interested.

Luck to You!
