

## **Circumnavigators Club Chicago Chapter**

### **Ethiopia. a land of Hidden Treasures**

**Jim Franch and Virginia Mullin**

Ethiopia is an ancient kingdom as well as a modern country with 5 World Heritage Sites and over 64 different ethnic cultures. It had major cities and skyscrapers before Europe experienced the Middle Ages, and claims to have the Arc of the Covenant under lock and key. Ethiopia is the only African kingdom not to succumb to the numerous Moslem and European colonial incursions, but didn't abolish slavery until the 1940s. Jim and Virginia will touch on these points in recounting their journey to this truly unique African country.
