

**Circumnavigators Club of Chicago Holiday Gathering  
with author Leslie Pollock**

Our guest speaker for this event will be Leslie Pollock, a city planner by trade. In addition to being on the faculty of the University of Illinois at Chicago campus, he is a dedicated traveler. He recently spent 4 months “following the sun” - going west from his home in downtown Chicago and eventually winding up where he started. His book - *Follow the Sun!* presents observations about the character of the places visited and their people, the adventure and challenges of solo travel, and the wonder that is our world.

Leslie will provide his insights and stunning images. Track along as he touches upon each location and take note of the places your travels have taken you.
