

Circumnavigators Club Chicago Chapter
Virtual Celebration of Chinese New Year

新年快樂
Happy Chinese New Year

Date: Friday, February 12, 2021 (the beginning date of Chinese New Year)

Time: 5:30 – 7:00 pm

Format: Virtual using Zoom

Many of us have been to China and have stories to share about our experience. Let's share the stories to celebrate **Chinese New Year**.

Cost: Free, but you must RSVP by sending an email to j.v.franch@gmail.com .

You will then receive a confirmation and link to join the party.

If you plan on sharing a story and have a picture (or two), include it with your RSVP to Jim Franch (j.v.franch@gmail.com) by February 8, 2021. **Preferred submission format is JPG.** Another alternative is to send a cell-phone photo of your Chinese artifact or souvenir that would work with your story. These can also be texted to Jim at 847-778-1134. (If you only have an old slide or print, mail it to Jim and he will convert it for you.) After the pictures, the floor will be open to "live show and tell!" Large souvenir artifacts may be able to be shared "live".

Event RSVP is required regardless of your participation. Send an email to register for the meeting, the program or both: j.v.franch@gmail.com

(PS: There may be a Chinese surprise at your door before the program)
